

SRF's Silver Sundown

Registered:	RMHA, KMSHA, MPHA, AGMH
Color:	Chocolate/Silver Black (Ee)
Sire:	J. Lee Walker
Dam:	Fry's Gliding Lass

Eighteen year-old SRF's Silver Sundown, has a temperament and intelligence that are unsurpassed. Silver is the horse of choice for the novice or amateur rider no matter what discipline because he is so easy going and responsive regardless of the fact that he is a stallion. He's willing, gentle, and calm. He is one of our favorite horses to ride on trails and to compete in the show ring. He can demonstrate brilliance that attracts the Judge's attention then come right back to the trail walk like he's out for a Sunday stroll.

Silver had many outstanding accomplishments over his life-time. In 2018 Silver was brought back to the show ring to compete with his amateur owners, Steve and Susan Heuslein. All year he continued to get better and better. When it came time to show at the RMHA International, Silver was in top form. Competing in the Country Trail Pleasure, he was nearly unbeatable! His performance led to capturing the elusive Sam Tuttle Memorial Award and to winning the Rea Swan Versatility Award with a perfect score. He was the Open Western Grand Champion for the sixth time! Silver also was recognized as the Reserve Grand Champion Conformation and Reserve Country Trail Pleasure Grand Champion. While awards are wonderful, it is the essence of Silver that makes him what he is. What better quality is there to pass on to your foals than this?

You won't find a more versatile horse than SRF's Silver Sundown. Through the years Silver has had a multitude of fabulous experiences. He's a winner in every venue – trail, show, versatility, and on and on. He's won in the show ring, he's a winner on the trail, and he has even shown that winning attitude as the lead horse for the Mountain Rhythm Riders Drill Team where he demonstrated his willingness and talent.

His progeny are a mirror their sire. In 2017, Moriah Mae, won the RMHA International Western Grand Championship . . . as her sire has won so many times. Silver is the “complete package.” An evenly timed four beat gait, intelligence, temperament, conformation and that gorgeous chocolate color help make him all you could want as the sire of your next foal. On the trail, in the show ring, or in the breeding shed, Silver performs like a true champion. Silver has foals all over the U.S and has a few foals in Europe. He is available for live cover or AI.
