

# 2023 Stoner Ridge Farm Wins Trained by Charlie DeAtley

. . . It's about setting goals and surpassing them. It's about discipline, dedication, willpower, reaching deep down and finding inner strength that you didn't even know you had. It's about structure and putting in the work and following the plan. It's about being better than my former "best" and proving to myself that I can achieve this. That's why I do it, and that's what it's all about!  
~Stephanie Wicked

May we never fail to thank the good Lord for his many blessings!
